Semester 2

 Your Member Number

UNIVERSITY OF THE THIRD AGE (SOUTH COAST) INC.

*Serving Victor Harbor, Port Elliot, Middleton, Goolwa
and South Coast Communities*

Welcome U3A South Coasters to our second semester for 2021.

Here's hoping our upcoming program will keep the winter chills and any residual blues at bay as we look towards a warmer Spring! I have recently been vaccinated and I admit it gives me a little warm feeling that comes with confidence. I hope you are feeling the same.

You will notice we have a couple of new groups, and our presentations are starting up again - yay! (see page 10) and, obviously, all of your old and loved continuing groups are there so you don't need to re-apply if you are in an established group. New groups fill **very** fast and some may have a waiting list.

So, thinking about something you'd like to do/learn/share that we don't have? Start a group! If you don't feel comfortable about doing it on your own, grab a pal and do it together (Craft, History Research and others already share the load and ideas so it's not a new concept). Our recent Future Directions survey noted that new groups' are on many members wanted' list. Have a go! Contact the Program Committee (or me) and get into it.

In the meantime, have a great second semester, keep warm, keep safe and enjoy your life.

Sue Gelade
President, U3A South Coast.

Special Events

A Volunteers' thank you lunch is planned for Thursday 23 September at the Goolwa Hotel. Further information will be forwarded to our hard working facilitators in mid August.

Covid-19 - please continue your safety awareness and activities.

Remember the important 3 Ss:

Acknowledgement to Traditional Custodians
